## Members Show

18.11.17

**This was such a truly enjoyable show with a happy sporting atmosphere throughout and the best of hospitality along with charming dogs and exhibitors. A heartfelt thank you to all the officers, committee and helpers, especially to Fiona Whitehead for managing the whole thing and the Club's President Margaret Bayes for entertaining me so royally as well as my ever patient steward, Phillipa Knight, who managed to keep us all on the right road. There are some lovely dogs on the Island, the vast majority of which were in remarkably hard muscular condition and thus able to demonstrate the best of their potential to the full.**
