

CLASS B JUNIOR HANDLER 12-16 years

(6 entries)

1st Porscha Rault is a smartly dressed, extremely competent handler, quietly communicating with her Shih Tzu to best advantage in shadowing + pattern work, which showed accuracy, straight lines + tight corners. Her high standard of competency in all departments, earned her the placing + also **BEST OVERALL JUNIOR HANDLER**.

Well done + well deserved.

2nd Yakira Michel presented her dog very well, both on the table and during pattern work. She carried out all instructions correctly + also moved her Cesky Terrier to advantage at a suitable speed, + with deserved straight lines in the patterns I requested. Showed all teeth neatly + quietly. With continued practising she will make even more progress.

CLASS C ADULT HANDLING 17-24 years

(2 entries) Hotly contested class!

1st Jade Perez2nd Paige Le Moignan

Two excellent handlers, absolutely from the top drawer, each of whom could hold their own in the best company. My decision was one of the closest I've had to make as each is well presented + smartly dressed, communicates effectively with their dog, answered my questions courteously + executed all my instructions to advantage.
