

Their dogs were moved at a suitable speed, & pattern work neatly undertaken with tight corners & straight lines. Shadowing was exemplary. I wish them both lots of luck in future competitions.

CLASS D ADULT HANDLING 25+ years
(7 entries)

1st Rachel Le Masurier handling a Cocker Spaniel, who impressed me with the overall presentation of her young dog, showing the teeth neatly & correctly & listening to all my instructions which she followed carefully. Rachel is a quiet, sympathetic handler, who encouraged her young dog at all times, moving at a suitable speed & achieving accurate pattern work.

2nd Jennifer Sharrock, handling a Entlebucher Mountain Dog, also listened carefully to my instructions & communicated quietly & effectively with her dog, at all times.

Well done to all competitors and congratulations to their trainers in both Jersey & Guernsey. I shall follow their progress with interest.
