**Spring Championship Show**  
**9<sup>th</sup> June 2018**

It was a pleasure to return to Jersey on this occasion to judge four of the Groups and Best in Show at the Kennel Club of Jersey's Spring Championship Show. I'd like to thank the Committee for their warm welcome and hospitality, the exhibitors for their sporting attitude and the hard working Show Secretary Marie-Claire Hannigan who was also my steward for the day. There were some lovely dogs on show among them several promising youngsters whose best is still to come and my top winners pleased me enormously. Judging of Best In Show and Best Puppy in Show required all seven Group winners to be placed in reverse order, which made for an exciting climax to the competition.

**Best in Show** was the Llasa Apso Walker's **Multi Ch. **Afghan Hound OD** 1. & BOB Shumakayas A Perfect Match For Elangeni PDH (Imp. Deu) Dark brindle dog I have judged previously. He is now a veteran but as always well coated and presented.

Has a strong head and would like a better eye. He has a fair neck but from front to rear, construction is rather narrow all through. A stylish mover in profile with good head and tail carriage.

**Basset Griffon Vendéen (Petit) OD 1.** & BOB Limier Didier At Gayteckels PDH. White and orange dog with a nice petit head, good ears and dark eyes. Has a good depth of chest, good rear angles, bone and feet. Would like a straighter foreleg but he moves freely with plenty drive behind. Nice harsh coat.

**Whippet L 1.** Ranveli Blue Breeze At Kipiriking. Lovely blue brindle with a good outline and balanced construction. Lovely head, good length of neck, very good depth and spring of rib, good topline and quarters. He impressed with his low forward reach and length of stride when moving in profile. A fawn with a beautiful flowing outline. Liked his head and expression, good depth of chest, firm back with rise over the loin, good width of thigh and second thigh. Has a lovely feminine head, good reach of neck, a true front with good depth of chest and neat tuck up. She moves truly front and rear and looks well in profile. Just tending to pick up a bit in front which made the difference when it came to the judging at the end of the day but still a worthy group winner. 2. Yazzy Yazmin Yashima At Kipiriking 3. Barnesmore Billie Jean For Eeri.

Barnesmore Billie Jean For Eeri.

**Dachshund (Min. Smooth Haired) P1.** & BOB Oniasid Melisadre Ygritte RAF. This puppy was very overweight which spoiled her general outline and movement. **Dachshund (Min. Long Haired) L 1.** & BOB Ditrois Autumn Rhythm. B/T with a pretty head, good eyes and ears. She has good bone and tight feet. Would like her ribs to carry back a bit more but her topline is OK. I felt her proportionately a bit too long for her height. Has a good rear and she moved quite well.
