

Dear Members

As you are aware the Kennel Club of Jersey Annual General Meeting is due to take place on 24th. June 2020.

The Committee have decided to postpone the AGM as this falls just outside the 12-week social isolation period for many of our members even if the current lockdown is lifted before-hand.

We have provisionally rebooked the Members Room at the Royal Jersey Showground for Wednesday 16th. September 2020 and hope that the AGM can take place on this date. We are sure you will appreciate this is entirely out of our control and we will as always follow Government advice to protect our members.

The current Committee will stay in office until a new Committee can be elected at the AGM.

This notice will be emailed out to all our members who receive their correspondence by email but unfortunately at this time we are unable to post out to members due to various members of the Committee being in isolation.

Whilst we cannot train and show our dog's, we would encourage everyone to keep in touch with each other and contact the Committee if we can be of any assistance.

Stay Safe
