

The Kennel Club of Jersey - Winter Championship Show
Saturday 7th April 2018

It was a pleasure to return to the lovely island of Jersey to judge the Winter Championship Show. Arriving on the Thursday the day was spent in St Helier visiting sites and enjoying a lovely dinner. On the Friday spent the day visiting the lovely sited Mont Oregueil Castle which is one of the finest examples of a medieval fortress in existence. The show on Saturday was at the excellent Royal Jersey Showground using the exhibition hall. Enjoyed the day judging at this well-run show where the atmosphere and hospitality were first class. The official dinner on the Saturday was well attended by the Committee and exhibitors and a pleasant evening was held by all. On the Sunday the President Dr Margaret Bayes kindly took us for lunch and a trip around the island before catching the flight home. A huge thank you to the Secretary, Chairman and all the Committee involved for making this trip so enjoyable.
